À PROPOS DE **CERAM SQUARE**

CERAM SQUARE, Le fleuron du Groupe Hammami, un des opérateurs majeurs de l'économie tunisienne riche de ses 35 ans d'expérience dans des secteurs d'activités industrielles et commerciales et du capital confiance accumulé au fil de ces années.

L'enseigne CERAM SQUARE fidèle aux principes de qualité et d'orientation client enracinée depuis 25 ans à travers son ancien intitulé SODIMAC, est une véritable consécration ainsi qu'une nouvelle confirmation de l'image dont jouit le Groupe Hammami . CERAM SQUARE spécialiste et actuellement leader du marché des articles de revêtement en céramique, articles sanitaires, robinetterie et accessoires représente aujourd'hui une série de showrooms à la pointe du design et des tendances architecturales modernes . Une offre variée qui balaie une large frange du marché depuis les gammes économiques premium, une orientation plus évidente vers les moyen et haut de gamme jusqu'aux lignes de luxe . C'est également une concentration de marques internationales mondialement reconnues par la qualité et le savoir-faire .

A la fin CERAM SQUARE est actuellement l'enseigne incontournable sur le marché qui a réussi à mettre sa clientèle, professionnels et particuliers, au centre de ses intérêts aux différents niveaux d'exploitation accueil, encadrement, conseil, choix, disponibilité, prix compétitifs, des standards logistiques conformes à des normes de fiabilité internationales, qualité d'assistance technique, apport de solutions complètes et efficacité de l'après-vente . Un concentré de compétences humaines au service de notre clientèle .

*VULCANICA 60*120*

The image features a central blue background with several material samples. In the top left is a large rectangular sample with a greenish-blue patina. In the top right is a light grey rectangular sample with a small potted plant. On the right edge is a vertical orange-brown sample with a circular hole. In the bottom left is a cluster of hexagonal samples with a greyish-brown patina. In the bottom right is a vertical rectangular sample with a speckled grey and white pattern. A small tan rectangular sample is on the left edge.
